

The following is a letter sent to certain partners of Symbotic Holdings LLC on December 13, 2021.

Dear Valued Partner,

I am writing to share an exciting announcement regarding the future of Symbotic. Earlier today, we announced that Symbotic has agreed to merge with SVF Investment Corp. 3 (SVFC), a special purpose acquisition company sponsored by an affiliate of SoftBank Investment Advisors (SBIA), to become a publicly traded company. We expect the transaction to close in the first half of 2022, subject to the approval of SVFC shareholders and other customary closing conditions.

As a revolutionary A.I.-enabled technology platform, becoming a public company will take Symbotic to the next level of the continued evolution of our business. By partnering with SVFC and SoftBank, which has tremendous experience investing in leading-edge A.I. and robotics innovators, we will have access to the additional networks and capital needed to expand our customer base and sustain our strong growth trajectory. In short, this transaction allows us to continue to lead the modernization of the global supply chain to the benefit of our partners, customers, employees and consumers worldwide.

Please be assured that everything remains business as usual at Symbotic, and **you should expect no changes to the way we work together. In fact, this transaction will only serve to benefit our partners and provide additional opportunities to continue our work together as we expand market share.**

We encourage you to visit our [website](https://www.symbotic.com/news/symbotic-to-become-a-public-company-in-partnership-with-softbank) [link: <https://www.symbotic.com/news/symbotic-to-become-a-public-company-in-partnership-with-softbank>] to review the full press release to learn more about this announcement. Please do not hesitate to reach out directly if you have any questions.

As always, we appreciate your ongoing support and partnership, and will continue making the necessary investments to improve our business and how we work together.

We look forward to taking this next step in our journey with you.

Sincerely,

Bob Doucette
Chief Operating Officer

These risk factors will be important to consider in determining future results and should be reviewed in their entirety. These forward-looking statements are expressed in good faith, and SVF and Warehouse believe there is a reasonable basis for them. However, there can be no assurance that the events, results or trends identified in these forward-looking statements will occur or be achieved. In addition to factors previously disclosed in SVF's prospectus filed with the SEC on March 10, 2021 and those identified elsewhere in this communication, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: ability to meet the closing conditions to a business combination between SVF and Warehouse (the "**Merger**") pursuant to that certain Agreement and Plan of Merger, dated December 12, 2021 (the "**Merger Agreement**"), by and among SVF, Warehouse, Symbotic Holdings LLC and Saturn Acquisition (DE) Corp., including approval by stockholders of SVF and Warehouse on the expected terms and schedule; delay in closing the Merger; failure to realize the benefits expected from the proposed transaction; the effects of pending and future legislation; risks related to disruption of management time from ongoing business operations due to the proposed transaction; business disruption following the transaction; risks related to the impact of the COVID-19 pandemic on the financial condition and results of operations of SVF and Warehouse; the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement or the termination of any of certain subscription agreements entered into by SVF with certain parties in connection with the Merger Agreement; possible variances between the historical financial information Warehouse presents and its PCAOB audited financial statements, when they become available; the amount of redemption requests made by SVF's stockholders; the effect of the announcement or pendency of the transaction on Warehouse's business relationships, performance, and business generally; the ability to meet NASDAQ listing standards following the consummation of the Merger; the amount of the costs, fees, expenses and other charges related to the transaction; the ability of SVF to issue equity securities in connection with the transaction; other consequences associated with mergers, acquisitions and divestitures and legislative and regulatory actions and reforms; and risks related to SVF's restatement of financials, as described on a Form 8-K filed with the SEC on November 30, 2021.

Any financial projections in this communication are forward-looking statements that are based on assumptions that are inherently subject to significant uncertainties and contingencies, many of which are beyond SVF's and Warehouse's control. While all projections are necessarily speculative, SVF and Warehouse believe that the preparation of prospective financial information involves increasingly higher levels of uncertainty the further out the projection extends from the date of preparation. The assumptions and estimates underlying the projected results are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The inclusion of projections in this communication should not be regarded as an indication that SVF and Warehouse, or their representatives, considered or consider the projections to be a reliable prediction of future events.

This communication is not intended to be all-inclusive or to contain all the information that a person may desire in considering an investment in SVF and is not intended to form the basis of an investment decision in SVF. All subsequent written and oral forward-looking statements concerning SVF and Warehouse, the proposed transaction or other matters and attributable to SVF and Warehouse or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above.
